With my signature, I accept the rules and regulations of the Climbing Park at Prien am Chiemsee and confirm to have read them carefully. My children is allowed to enter the climbing park and to do the rope courses and confirm to have discussed the rules and regulations with them.

Entry Conditions / User Agreement

1. **The Ropes course is a physical activity connected with risks.** Please act accordingly. Top priority is to be cautious and concentrated at all times when using the safety equipment. If not using the equipment correctly, you may be in immediate danger of falling. Falling can result in severe injury or even death. Requirements for using the Ropes course are that one does not exceed 120kg in weight, and has no psychological or physical impairment, which endangers oneself or other participants. Persons under the influence of alcohol, drugs, or medication of any intoxicating kind, are strictly forbidden to use the Ropes park. Especially pregnant women should not climb.

2. **When going through the rope course, you may not carry unsecured items with you.** For instance cameras. Cameras may only be carried when properly secured. Jewellery must be taken off. Backpacks are also not allowed in the ropes course. Please wear proper shoes and suitable clothing. Please stay on the marked trails.

3. **Before using the ropes park, each participant must go through a theoretical and practical safety instruction, and in addition everyone have to go through the instructional parcourse successfully.** After the safety briefing is given, each participant is responsible for themselves, and responsible to use the safety equipment as shown and demonstrated in the safety briefing. The safety equipment (Smart Belay) have to be used as demonstrated in the safety instruction course. When moving through the parcourse, both carabiners are always connected to the steel safety cable. At the reconnecting point, **one carabiner is always connected.** **Reconnecting is only allowed on the platforms** never in the middle of an exercise. No guest or participant may enter the parcourse or parts of the parcourse unsecured. There is only one person in an exercise at one time and maximum 3 persons on a platform.

4. All parcourse have an age restriction, and in some cases a minimum height must be attained. Please note the information signs.

Children parcourse:

-Children parcourse are **suitable for children about 4 years and up** when accompanied by an adult.

High rope parcourse:

-**Children under 10 years need to be accompanied by an adult**

-In the **green/blue/orange/red parcourse**, children under 10 years needs an accompanying adult

-In the **purple parcourse**, children under 12 years need an accompanying adult

-The **yellow and tandem parcourse** are basically as of 10 years and up, and at the **black parcourse** there is an age restriction of 14

5. The management (represented by the park manager) reserves the right to exclude participants from the rope parks for not abiding to the rules.

6. **The borrowed safety equipment is not transferable**, and may not be taken off during climbing. Should the equipment be taken off (toilet use, smoking) it must be checked by a trainer before you resume climbing. Smoking is prohibited in the entire climbing park and while wearing your safety equipment.

7. When participating in other activities such as archery, etc. each participant must go through a practical as well as a theoretical safety demonstration. Here also, all terms and conditions have to be followed as in the rope parks.

8. With your signature you confirm that you carefully read and recognized our participation rules, and accept our terms and conditions. In case of contravention against the rules, or safety requirements of the organizers/trainers, Estermann Event & Abenteuer GmbH does not assume liability for the accrued damages. The Estermann Event & Abenteuer GmbH does not assume liability of damages or injury caused by other participants or third party. Estermann Event & Abenteuer GmbH does not assume liability for submitted valuables. For material or financial loss, Estermann Event & Abenteuer GmbH is only liable in case of intent or gross negligence on behalf of its statutory agents or assistants.

9. The management (represented by the park manager) reserves the right to shut down operation of the park, or certain parcourse due to bad weather (wind, hail, rain, thunderstorms) or maintenance. In this case there is no right to a refund of the entrance fee. Also, no refund or extension of the opening hours will be given if the full 3 hours cannot be reached due to the opening hours (the last entry into parcourse is half hour before the park is closing). This also is in affect if the participant ends his climbing due to misjudgement of his physical capability.

10. Maximum climbing time is 3 hours, and begins with the safety briefing. After the 3 hours a charge of 5 € will be due for each half hour overtime.
